

Service Organization Controls Report Hosting Services System

Ernst & Young Accountants LLP states, based upon its own examination, that the control measures related to the LeaseWeb Hosting Services System as executed by:

LeaseWeb Deutschland GmbH

for the period January 1, 2016 to December 31, 2016, are adequate to ensure reliable execution of the services mentioned above.

This statement is intended to show that within the processes as executed by LeaseWeb the control measures operated effectively. This ensures the reliability of the LeaseWeb Hosting Services System. We refer to the ISAE3402 type II report, dated February 24, 2017 (reference: AGUA-AJTQUU), including our assurance report for an overview of the conclusions and findings related to the LeaseWeb Hosting Services System.
