

Certificate

Certificate number: 2014-016

Certified by EY CertifyPoint since: December 18, 2014

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015, the Information Security Management System as defined and implemented by

Leaseweb Global B.V.*

located in Amsterdam, the Netherlands, is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: March 31, 2021

Expiration date of certificate: December 12, 2023

Last certification cycle expiration date: December 12, 2020

EY CertifyPoint will, according to the certification agreement dated December 2, 2020, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

**The certification is applicable for the assets, services and locations as described in the scoping section at the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability, dated March 8, 2021.*
