Leaseweb Global may share Personal Data about you with:

- Leaseweb Affiliates. The Leaseweb Affiliates offer tools and services that may be used to order or to communicate with Leaseweb Global. Leaseweb Global may share your Data with Leaseweb Affiliates in connection with said tools and services. Please review the [Privacy Statements](#) of the various Affiliates to learn about their practices with respect to the collection, storage and use of your Personal Data.
- Law enforcement agencies, regulatory organisations, courts or other public authorities to the extent required by law.
- Credit and Compliance KYC reference agencies.

DATA TRANSFERS

Since Leaseweb Global may procure from suppliers located in many different countries around the world, it is important that we comply with data privacy laws in many jurisdictions. In our role as data processor we may require to implement the [Standard Contractual Clauses](#) to enable the lawful transfer of Personal Data processed by suppliers from the European Economic Area and Switzerland to other countries globally. In addition, Leaseweb Affiliates outside of the EEA and Switzerland may implement Standard Contractual Clauses upon request of their EU based customer to set out the Leaseweb Affiliate commitment to privacy and data protection when (sub) processing data in connection with the provision of products and services in connection with the provision of such products and services under the applicable Sales Contracts.

RETENTION PROCEDURES

Leaseweb Global will store and retain your Personal Data as long as necessary to perform the purposes of processing as stated in this Privacy Statement.

TECHNICAL AND ORGANISATIONAL MEASURES

In accordance with international data protection laws, in particular the GDPR, we aim to observe adequate procedures to prevent unauthorized access to, and the misuse of, Personal Data. We use appropriate business systems and procedures to protect and safeguard the Personal Data and apply our entity split approach. We also use security procedures and technical and physical restrictions for accessing and using the Personal Data on our servers. Our privacy policy is to grant only authorized personnel permission to access Personal Data in the course of their work. Our business processes apply a series of security services are compliant with the industry security standards, including ISO 27001. Leaseweb Global is frequently being audited by external parties to ensure it complies with relevant normative frameworks and controls within the Leaseweb Circle of Trust model. See www.leaseweb.com/certifications for more information.

Leaseweb Global has implemented the following generic information security measures across its organisation:

network segmentation, next generation firewalls, anti-virus software, full disk encryption of end-points, encrypted communication via SSL or VPN, Security Information and Event Management solutions, dedicated Security Operating Centre, security awareness training, segregation of duties, role-based access permissions (based on least-privilege), secure disposal facilities of confidential information, periodic pentesting of public facing services, secure development training, integrated security monitoring during development, tools to enable employees to work secure (such as password managers), physical security zones. Per application or communication, additional security measures can be implemented.

DATA PROTECTION OFFICER (DPO)

Our Data Protection Officer ("DPO") is positioned in our Leaseweb Global headquarters in Amsterdam, The Netherlands. This office serves as our international center of expertise for international data protection laws compliance, in particular GDPR compliance, effectively centralizing our connection with the Dutch privacy authority as the permitted one-stop shop facility for the DPO.

YOUR RIGHTS

In accordance with data protection laws, as a data subject you have a number of rights regarding your Personal Data and the processing thereof:

- You can view and, if necessary, change your Personal Data in your account. You will keep the Personal Data up to date and correct.
- If you wish to know what information Leaseweb Global and other Leaseweb entities have collected about you.
- You also have the right to obtain from us the erasure of your Personal Data (right to be forgotten) in case permitted and mandatory.
- In addition, you may, under certain circumstances, have the right to restrictions of the processing of your Personal Data.
- You have the right to object, at any time to processing of your Personal Data in case permitted and mandatory.
- You have the right to receive your Personal Data, which you have provided to us, in a structured, commonly used and machine-readable format.
- You have the right to lodge a complaint with the competent supervisory authority for purpose of data portability.

If you have any requests regarding the abovementioned or if you want to exercise any of the rights set forth above, please contact us using the contact details below for privacy questions. If we do not grant your request, we will inform you about the reason why.

CONSENT AND WITHDRAWAL OF CONSENT

You are entitled to withdraw your consent at any time by giving us notice in relation to communication based on your consent as legal ground. Upon receipt of a notice where your consent is withdrawn, we will without undue delay stop processing your Personal Data to the extent it is required under law. Please use the contact information at the bottom of the page should you wish to withdraw your consent given under this privacy statement.

STATEMENT CHANGES

Leaseweb Global reserves the right to change the Privacy Statement, and will post any revisions on the Leaseweb website <https://www.leaseweb.com>. Leaseweb Global advises you to check this page regularly to see if any changes have been implemented.
